### Back to School Immunizations: Call your local health department for an appointment that is convenient for you.

To help parents prepare for 2017-2018 school immunization requirements, Public Health – Idaho North Central District (PH-INCD) is encouraging parents to call and schedule an appointment for their child to get immunized.

Parents are asked to bring their child's up-to-date immunization record and any health coverage information (insurance cards) with them to the clinic. No child will be denied routine vaccinations based on an inability to pay. PH-INCD can complete any unfinished routine vaccination series.

**To schedule an appointment or to get more information on immunization requirements, please call Public Health – Idaho North Central District at 208-799-3100 or visit [www.idahopublichealth.com](http://www.idahopublichealth.com).**
