#### District Statement of Philosophy, Vision, and Mission

##### **Statement of Philosophy**

Salmon River School District is dedicated to providing an education of the highest quality that prepares the students of the District to be good and productive citizens. To this end, the District shall stress the skills necessary to live in a democracy. Within the limitations of its size, the District shall offer an educational program that produces well-rounded students and prepares all students in the world as a whole.

##### **Mission Statement**

We will strive to inspire and empower every student to achieve their fullest potential as an individual, to build skills and attitudes necessary to become successful citizens with personal integrity in an ever changing society.

##### **Vision Statement**

The vision of Salmon River Joint School District is:

- to create a partnership that includes students, educators, parents, and community;
- to cultivate a healthy environment which promotes the mastery of essential skills.
- to instill a lifelong desire for learning.
