

Salmon River Joint School District No. 243

INSTRUCTION

2386

Partnership for Special Needs Students

The Board grants authority to the Superintendent or designee to negotiate and enter into program agreements with public and/or private entities in order to provide educationally related services for special needs students.

The Superintendent shall discuss with the Board his/her intent to negotiate such agreements. When an agreement is established, the Superintendent shall inform the Board of the terms and nature of the agreement.
