

Salmon River Joint School District No. 243

NONINSTRUCTIONAL OPERATIONS

8201

Food Services

The Board supports the philosophy of the National School Lunch and Breakfast Program. Student health and satisfaction should be the primary concern of the District's food service program. The Superintendent or designee shall provide wholesome and nutritious lunches and breakfasts for District students.

The food service program will meet state requirements and the standards of the National School Lunch and Breakfast Program.

Any decision to enter into a contract with a private food service agency shall require the approval of the Board.

Expenditures for food and supplies should not exceed the estimated revenues.
