

Salmon River Joint School District No. 243

SCHOOL FACILITIES

9401

Facilities Safety Program

The Superintendent or designee shall ensure that each school principal supervises the operation of his/her school so as to assure compliance with state and federal safety and health requirements. When conditions of disrepair or hazard appear, they shall be reported immediately to the Superintendent or designee. If they constitute a significant threat to the safety of students or others, school operations shall be altered in a way as to eliminate the threat with as little disruption as possible.
