Savage Parents and Fans,

The Long Pin Schools have voted in new rules for athletics – the main one being: **“Only home teams will be allowed to have fans in attendance”**. We can only have 50 or less people in attendance – this does not include “essentials” e.g.: players, coaches, and support staff.

This would eliminate the elementary program. *However...* in an effort to continue with at least some games for the elementary, we, here at Salmon River, will be honoring the Stage 3 Order – “50 people or less for indoor gatherings” by limiting the fan base to 20 people for visiting teams and 30 people for our teams.

We will do this by:

1. Coaches will submit a list (attached) of those parents/fans that wish to attend each game the day before the game. **Parents need to sign up with their child's coach!!!**
2. On game day the coaches will be given passes to hand out to those that are signed up.
3. Only the allotted number of fans (for SR 30) will be allowed in the gym, so after each game is finished fans should turn in their passes so they can be given out to those that are on the list for the next game.

So, for example, if you are on the list for the 3rd/4th grade girls game you would be given a pass to watch that game. At the conclusion of the 3rd/4th grade girls game you will turn in your pass as you leave so that pass can be issued to a parent/fan of the next game.

I realize this may be somewhat confusing so if you have any questions contact myself or Kyle Ewing for clarification.

Please understand that we are faced with some difficult decisions and although this is less than ideal our options are to either limit fans or cancel the program entirely.

Thanks in advance for helping us to keep our season going.
