

Student Vehicle Parking Form

I certify, by my signature below, that I agree that my being able to operate and park a vehicle on school property is a privilege conditioned on my willingness to have that vehicle subject to search by school authorities at any time the vehicle is on school property. I also understand that it is my responsibility to obey the speed limit on school grounds, to operate the car safely going to and from school and school events, to park in designated areas and to maintain legally required insurance on the vehicle. Finally, I understand that any violation of this agreement or other school rules can lead to the revocation of all parking privileges. I further understand that motor vehicles in violation of the District's Student Vehicle Parking Policy may be subject to towing.

Other Considerations:

1. Any student who plans to drive must complete the appropriate permission and vehicle-registration forms.
2. Students will observe all of the state's rules and regulations.
3. Students will observe a **10 mph speed limit** on campus.
4. Student drivers accept responsibility for being on time.
5. Students will observe parking restrictions and assignments, as indicated by signs or as communicated by school administrators.
6. Students will remain seated in cars at all times when car is moving.
7. Students will not be in or in the vicinity of cars during school time, unless specific permission is granted.
8. Pedestrians and school buses have right of way in parking lot at all times.
9. Students observed driving in an unsafe manner or otherwise failing to observe any of the above regulations may lose driving privileges and be subject to further disciplinary action.
