May 4, 2022

Dear Staff, Parents, and Community Members,

The district was recently notified that a clerical error has occurred on the Salmon River Joint School District's supplemental levy ballot. The law prohibits any changes to the ballot once the due date has passed. Therefore, the Salmon River Joint School Board of Trustees will be holding a special board meeting to discuss options, including running the levy election at a later date. An agenda with the date and time of the special meeting will be posted as soon as possible.

Sincerely,

Trisha Simonson
